

Disclaimer

Last Modified: August 22, 2023

Introduction

Welcome to <https://deorderbook.com>, a website-hosted user interface, and any associated software or services (collectively the "Interface") provided by DeOrderBook, a decentralized finance (DeFi) options protocol. DeOrderBook will be referred to throughout this document as ("DeOrderBook, "we", "our", or "us").

The Interface provides access to a decentralized protocol on the blockchain that allows users to transact certain digital assets through the use of smart contracts (the "Protocol").

General Acknowledgment

By using the DeOrderBook decentralized finance (DeFi) protocol, you acknowledge that you are participating in a rapidly evolving and experimental technological field. The services, products, and platforms associated with DeOrderBook come with inherent risks, and you should exercise caution and conduct thorough research before making any decisions.

This disclaimer refers to specific risks and uncertainties that are set out in greater detail in the Terms of Services of the Protocol. Users are encouraged to review the Terms of Services in its entirety after reviewing this disclaimer.

No Financial Advice

All information accessible through the Interface is for informational purposes only and should not be construed as investment, tax, or legal advice. You should not take, or refrain from taking, any action based on any information contained within the Interface or any other information that we make available at any time, including, without limitation, blog posts, articles, links to third-party content, discord content, news feeds, tutorials, tweets, and videos. Before you make any financial, legal, or other decisions involving the Interface, you should seek independent professional advice from an individual who is licensed and qualified in the area for which such advice would be appropriate. DeOrderBook is not your broker, intermediary, agent or advisor and has no fiduciary relationship or obligation with you when you use the Interface or Protocol. DeOrderBook has

no liability for any of your activities or decisions made while using the Interface.

This Agreement is not intended to, and does not, create or impose any fiduciary duties on us. To the fullest extent permitted by law, you acknowledge and agree that we owe no fiduciary duties or liabilities to you or any other party, and that to the extent any such duties or liabilities may exist at law or in equity, those duties and liabilities are hereby irrevocably disclaimed, waived, and eliminated. You further agree that the only duties and obligations that we owe you are those set out expressly in this Agreement.

Potential Losses

DeOrderBook does not guarantee any results or outcomes. Engaging in DeFi activities can result in the complete loss of your assets. You are solely responsible for assessing and understanding the risks associated with your actions on the platform.

Smart Contract Risks

While DeOrderBook endeavors to ensure the security and functionality of its smart contracts, the decentralized nature of blockchain technology means that they are irreversible and may contain vulnerabilities.

DeOrderBook is not responsible for any losses incurred due to smart contract failures or exploits.

Regulatory and Legal Risks

The regulatory status of DeFi protocols and digital assets can be fluid and varies by jurisdiction. Users are responsible for understanding and complying with their own local laws and regulations.

No Warranty

DeOrderBook is provided "as is" without any warranties of any kind, either express or implied. We do not guarantee continuous, uninterrupted, or secure access to our services.

Limitation of Liability

Under no circumstances will DeOrderBook, its affiliates, or any of its respective directors, officers, employees, or agents be liable for any direct, indirect, or consequential losses or damages incurred as a result of using our platform.

Changes to Disclaimer

DeOrderBook reserves the right to modify this disclaimer at any time. Users are encouraged to review it regularly.

If at any time this disclaimer is modified, we will modify the date listed on this disclaimer or will announce it to users.
